

Operational Support Technician

PERMANENT FULL-TIME POSITION Charlottetown Office

This position involves delivering, exchanging and repairing residential compost and waste carts, curbside monitoring for compliance with Waste Watch guidelines, and liaison between IWMC's Customer Service Centre and residential/commercial customers. The Technician will also act as backup Inspector, Scale Operator, Household Hazardous Waste Depot Operator and Roll-Off Truck Operator.

Hours of Work: Monday to Friday (8-4) and Saturday (various hours) for a total of 37.5 - 48 hours per week (hours may vary when covering for another position). This position will start around February 4th, 2019.

Qualifications: The successful applicant must have Grade 12, a valid Class 3A driver's license and truck driving experience (i.e. tandem, tractor trailer, roll-off). Customer service experience, excellent oral and written communication skills, and good computer skills (email, MS Office) are also required. The successful candidate must be able to lift 50 lb. and be reliable. The ability to communicate in French, verbally and in writing, is an asset.

A full job description can be obtained by visiting www.iwmc.pe.ca (see **Resources**) or from the office at the address below. This position offers a competitive salary and benefits.

**Resumes will be accepted until
Wednesday, January 23rd, 2019 at:**
