**INSTRUCTIONS TO BIDDERS
ISLAND WASTE MANAGEMENT CORPORATION
REFRIGERANT RECOVERY SERVICES
IWMC SITES**

1. SECURING DOCUMENTS

Copies of the Tender Bid Package are available at the **CHARLOTTETOWN OFFICE** of:

Island Waste Management Corporation (the Corporation)
110 Watts Avenue, West Royalty Industrial Park
Charlottetown, P.E.I.
C1E 2C1

OR

download at - www.gov.pe.ca/tenders or www.iwmc.pe.ca/tenderdocuments.php

2. TENDER CLOSING DATE

Tenders will be received prior to 2:00 PM, local time, (ADT) June 23, 2017, the "Tender Closing Date", at the **CHARLOTTETOWN OFFICE** of the Corporation, at which time the tenders will be opened publicly. Tenders received after the 2:00 PM deadline will be returned unopened to the bidder.

3. TENDER BID PACKAGE

The complete tender bid package includes the following:

1. Invitation to Tender
2. Instructions to Bidders (Contract A)
3. Tender Form
4. Contractual Agreement (Contract B)
5. Appendix A - Site Locations

4. BIDDERS RESPONSIBILITY

(i) Examination of Tender Bid Package

Before submitting a tender, each bidder shall carefully examine the complete Tender Bid Package documents and be familiar with all working conditions and take into consideration all such conditions when submitting a bid. No allowance shall be made to any bidder because of lack of such examination or knowledge.

(ii) Examination of Legislation

Before submitting a tender, each bidder shall familiarize himself with all applicable legislation which governs and impacts on the performance of work including; Workers' Compensation Act, Occupational Health and Safety Act, Highway

Traffic Act, and Environmental Protection Act and Ozone Layer Protection Regulations.

(iii) Independent advice

The Bidder is responsible for obtaining, prior to submitting a tender, independent financial, legal, accounting, engineering, environmental and other technical advice.

5. INTERPRETATION OF TENDER BID PACKAGES

If a potential bidder is in doubt as to the meaning of any part of the Tender Bid Package, or finds discrepancies or omissions from any part of the Tender Bid Package, the bidder may request an interpretation or correction thereof at any time prior to the Tender Closing Date. Any interpretation or correction of the Tender Bid Package by the Corporation shall be made only by written Addendum and shall be mailed or delivered to each bidder. The Corporation shall not be responsible for any other explanation or interpretation of the Tender Bid Package. All communications regarding this work and the tender process shall be addressed to the attention of **Kevin Curley - kcurley@iwmc.pe.ca** or **902-569-7535** - at the Charlottetown Office of the Corporation. A written response should be available no later than three calendar days before the tender closing date.

6. SECURITY REQUIREMENTS

(i) Bid Deposit

No deposit required for this contract.

7. COMPETENCY OF BIDDER

Bidder must be capable of performing the various items of work bid upon. They may be required to furnish to Island Waste Management Corporation, a statement covering experience on similar work, equipment proposed to be used in the execution of the contract, and such statements of their financial resources as may be deemed necessary. All persons providing service under this contract must be a “registered handler” or a “trained apprentice” as outlined in Section 6 of the Ozone Layer Protection Regulations.

8. TENDER FORM

In order to receive consideration, all bids shall be completed in strict accordance with the following:

(i) Forms

All bids shall be made upon the forms provided, properly executed and with all items completed. The wording of the Tender Form shall not be changed, and words shall not be added or subtracted except where specifically authorized by the Corporation in writing. Unauthorized conditions, limitations or provisions attached to the proposal may be cause for rejection of the proposal. Alterations by erasure or interlineation shall be explained or noted in the bid over the signature of the bidder.

(ii) Name of Bidder

If the bidder is an individual, the name and address must be shown; if the bidder is a partnership, the name and address of each partner must be shown. If the bidder is a company, the name, title and phone number of all officers must be provided and the proper persons authorized to enter into contracts for the company must sign the Forms of Tender and the corporate seal must be affixed. If the successful bidder is a company, it may be required to furnish, prior to award of the contract, a copy of the resolution of the Board of Directors authorizing the signing officer(s) to sign the tender on behalf of the company.

(iii) Submitting of Tenders

No telegraphic/telefax bid or telegraphic modification of a bid will be considered. No bids received after the Tender Closing Date and time will be considered. Late bids will be returned to the bidder unopened.

The bid shall be addressed to the Corporation with the name of the bidder on the envelope, and shall be delivered to the Corporation at the address given in the Invitation to Tender on or before the Tender Closing Date. It is the sole responsibility of the bidder to ensure that such bid is received on time.

(iv) Tender on Part or All of Contract

Tenders must be for “all” work. Tenders for part of contract will not be accepted. Bidders are asked to submit their bid on the attached tender sheet.

9. WITHDRAWAL OF TENDERS

(i) Prior to Opening

Any bidder may withdraw its unopened or unannounced tender, either personally or by written request to the Corporation’s Charlottetown Office, at any time prior to the Tender Closing Time.

(ii) After Opening

No bidder may withdraw its tender for a period of 30 days after the Tender Closing Date and all tenders shall be subject to acceptance by the Corporation during this period.

10. AWARD OR REJECTION OF TENDERS

(i) Reserves the Right

The Corporation reserves the right to reject any or all tenders, not necessarily accept the lowest tender, or to accept any tender or revised tender which it may consider to be in its best interest. The Corporation also reserves the right to waive formality, informality or technicality in any tender. While the lowest tender will be of prime consideration in determining which tender offers the best value to the Corporation, the Corporation’s assessment of the bidder’s overall competence and capability to perform the contract will be critical factors in the selection of a successful bidder.

(ii) No Obligation or Liability

Submission of a Tender shall not obligate nor should it be construed as obligating the Corporation to accept any such offer or to proceed further with the project. The Corporation may in its sole discretion elect not to proceed with the project

and may elect not to accept any proposal for any reason. The Corporation shall not be liable for any information or advice or any errors or admissions which may be contained in the documents, addendum, appendices, data, materials or other documents disclosed or provided to the Bidder pursuant to this Request For Tenders. The Corporation makes no representation or warranty express or implied in fact or in law with respect to the accuracy or completeness of this Invitation to Tender and the Corporation shall not be responsible for any action, cost or liability whatsoever arising from the Bidder's reliance or use of such documents, appendices, data, and materials presented in respect to this project.

(iii) Unsuccessful Tenders

Unsuccessful bidders shall be notified in writing by the Corporation no later than ten (10) days after the Tender closing date.

(iv) Successful Tenders

The successful bidder shall be notified in writing by the Corporation no later than ten (10) days after the Tender closing date.

11. EXECUTION OF AGREEMENT

The form of agreement which the successful bidder, as Contractor, will be required to execute is included in the Tender Bid Package as Contract B and shall be carefully examined by each bidder. The Successful Bidder shall, within 5 days after notice of award and receipt of Agreement forms from the Corporation, execute and deliver to the Corporation all required copies of the Agreement together with the required insurance certificates, and the required contract security as outlined, all in form and content acceptable to the Corporation.

12. DEFINITIONS

All definitions used in this document shall be the same as those used in Item 1 of Contract B which is part of this tender package, or the "Definitions" section of The Ozone Layer Protection Regulations.

13. SCOPE OF WORK

This tender is to provide **Refrigerant Recovery Services at the Corporation Sites** as listed in Appendix A of this document. **The term of this contract shall be from July 3, 2017 to the end of the term on June 30, 2020.** The parties may mutually agree to extend the term for an additional period, but the corporation retains the right to terminate the contract at the end of the original three year term.

The following items, terms, conditions, requirements and limitations shall apply:

- (i)** The Contractor shall provide Refrigerant Recovery Services at all the sites listed in Appendix A, EPWMF and GreenIsle sites are each to be serviced a minimum of one time monthly. The remaining sites shall be serviced a minimum of three times annually, Spring, Summer, and Autumn. Timing for these site visits is usually determined by the schedule for the white goods baling equipment.

Habitat for Humanity Restore in Charlottetown may occasionally have units to be serviced, this is typically done in conjunction with a GreenIsle site visit.

Note: The Corporation reserves the right to order additional work at the sites, provided the contractor is given 72 hours notice of the requirement of such additional work. The Corporation may also add additional sites within the province provided the contractor is given 15 days written notice before being required to provide service at the added site(s).

Note: At EPWMF, the work must be performed during site operating hours as listed in Appendix A. There is to be no after-hours access.

(ii) The Contractor shall inspect units and recover refrigerants when present from all units which may contain Ozone Depleting Substances in the White Goods Storage areas of the THE CORPORATION Sites. These units include but are not necessarily limited to: refrigerators, air conditioners, fire extinguishers, deep freezers, and de-humidifiers.

The contractor shall inspect each unit to determine if the unit retains the capability to store refrigerant, and shall certify those units which do not contain refrigerant, by affixing the Green Certification Sticker as outlined in the Ozone Layer Protection Regulations. **The inspection unit price as tendered will apply only to those units which do not require recovery service.**

The Contractor shall recover and is responsible for the refrigerant from all the units determined to be capable of refrigerant storage. The contractor shall use a CSA, UL or ULC approved Refrigerant Recovery Unit and shall recover to an approved Recovery Cylinder as outlined in Section 1(c) of the Ozone Layer Protection Regulations. **The Recoveries unit price as tendered will apply only to those units which require recovery service.**

All recoveries shall be completed to a vacuum gauge reading of between 10 inches and 15 inches of mercury.

All refrigerants recovered are to be Recycled, Reclaimed or Stored as outlined in the Definitions Section 8(c)(i)(ii). Contractors may be required to show documentation of their refrigerant handling for materials recovered during the life of this contract.

All units inspected and/or recovered shall be certified with the green certification stickers, supplied by the Department of Communities, Land and Environment.

Contractors should be prepared to supply all electricity required for the completion of the work, since on-site power supplies are located considerable distance from the white goods storage areas.

14. BILLING PROCEDURE

- (i) THE CORPORATION shall, within thirty (30) days, pay all bills submitted hereof provided that the Corporation may withhold all or any portion of any payment due where it is of the opinion that the Contractor has not carried out any or all of his obligations under this Contract.
- (ii) Payment at the tendered price shall be made upon receipt of invoice for:
 - a) the number of units inspected and
 - b) the number of units recovered

Each invoice shall be accompanied by a completed Refrigerant Record of Service for each unit inspected or recovered. Payment of the tendered unit price shall be full compensation for the furnishing of all equipment, tools, labour and other incidentals, including supply of electrical power for recovery equipment necessary to complete the work.

15. ARBITRATION

In the case of any dispute arising between THE CORPORATION and the Contractor as to their respective rights and obligations under the Contract, either party hereto shall be entitled to give to the other notice of such dispute and to request arbitration thereof; and the parties may, with respect to the particular matters then in dispute, agree to submit the same to arbitration in accordance with the provisions of The Arbitration Act of Prince Edward Island.

Arbitration proceedings shall not take place until after the completion or alleged completion of the work except, (a) on a question of certificate for payment, or (b) in a case where either party can show that the matter in dispute is of such nature as to require immediate consideration while evidence is available.

16. INDEPENDENT CONTRACTOR

It is agreed that the Contractor is and shall be an independent contractor and is not, and shall not represent himself to be, an agent of Her Majesty the Queen, the Government of Prince Edward Island, or Island Waste Management Corporation.

17. THE CORPORATION'S RIGHT TO DO WORK

If, in the opinion of THE CORPORATION, the Contractor neglects to execute the work properly or fails to perform any provisions of this Contract, THE CORPORATION, after five (5) days written notice to the Contractor, may without prejudice to any other right or remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due the Contractor including any surety or other Bond filed by the Contractor.

18. INSURANCE REQUIREMENTS

See Section 2 – Contract B (attached)

19. CONFIDENTIALITY AND COPYRIGHT

- (i) Any and all information, knowledge or data made available to the Contractor as a result of this Agreement shall be treated as confidential information. The Contractor shall not directly or indirectly disclose or use the information, knowledge or data for purposes unrelated to the Agreement at any time without first obtaining the written consent of THE CORPORATION, unless the information, knowledge or data is generally available to the public.
- (ii) The Parties agree that all lists, reports, information, statistics, compilations, analyses, and other data generated or collected in any way as a result of this Agreement are the exclusive property of THE CORPORATION and shall not be distributed, released, transmitted or used in any way, via any media, outside the purposes of this Agreement, by the Contractor, its employees, agents, servants or others for whom the Contractor is responsible, without the written consent of THE CORPORATION.
- (iii) The Parties agree that THE CORPORATION owns the copyright on all aspects of the Work, including all manner of data as set out in subparagraph (a) and including all software developed as a result of the Work whether in the form of raw data, analyses, database entries or software or hardware code of any kind or in any form whatsoever, including but not limited to object code and source code and any necessary information with respect to the use of such code such as encryption keys, compiler information and version number.
- (iv) The Contractor relinquishes all rights to the Work created pursuant to this Agreement, including all rights, and moral rights otherwise accruing to the Contractor pursuant to the *Copyright Act*, R.S.C. 1985, c. C-42.

20. CONFLICT OF INTEREST

The Contractor warrants that as at the date of this Agreement, no conflict of interest, or any circumstance that might interfere with independent and objective exercise of judgment, exists or is likely to arise in relation to execution of this Agreement or its subject matter. The Contractor shall immediately notify THE CORPORATION, in writing, if any such actual or potential conflict of interest should arise at any time during the Term. In the event THE CORPORATION discovers or is notified by the Contractor of an actual or potential conflict of interest, THE CORPORATION, in its sole discretion, may either:

- (i) allow the Contractor to resolve the actual or potential conflict to the satisfaction of THE CORPORATION; or

- (ii) terminate the Agreement in accordance with the Termination section of this agreement.

21. FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT

The Contractor acknowledges that this Agreement, and information provided in respect of this Agreement, may be subject to release under the *Freedom of Information and Protection of Privacy Act* R.S.P.E.I. 1988, Cap. F-15.01. The Contractor may be consulted prior to release of any information.

- (i) The Contractor acknowledges and agrees that, in the event the Work involves the collection or use of personal information, it is subject to the *Freedom of Information and Protection of Privacy Act*, and that personal information may not be released to any third party or unauthorized individual.

22. TERM OF CONTRACT

This contract shall commence on July 3, 2017 and shall be complete on June 30, 2020.

CONTRACTUAL AGREEMENT

THIS AGREEMENT made this _____ day of June , 2017.

BETWEEN:

Island Waste Management Corporation
as represented by its Chief Executive Officer
(hereinafter referred to as the "Corporation")

OF THE FIRST PART,
- and

(hereinafter referred to as the "Contractor")

OF THE SECOND PART,

WITNESSETH:

That in consideration of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. **DEFINITIONS**

In this document:

"Contractor" - means the individual, partnership, corporation or other entity whose proposal is accepted by the Corporation to perform the Work and includes any legal representative of the Contractor.

"Corporation" - means Island Waste Management Corporation or its authorized representative.

"Work" - means the services, activities, operations, works, matters or other things required to be done, performed or applied by the Contractor under this Contract as stipulated in Contract A, and including all extras or additional work or material duly authorized by the Corporation under the terms of this Contract to Recover Refrigerants from all ozone depleting substances containing equipment at White Goods areas of THE CORPORATION Sites, as listed in appendix A.

2. **INSURANCE REQUIREMENTS**

The Contractor shall indemnify and hold harmless the Corporation, its agents, representatives and employees from and against all claims, demands, losses, costs, damages, actions, suits, or proceedings of every nature and kind whatsoever arising out of or resulting from the performance of work (herein called the 'claims'), provided that any such claim is

caused in whole or in part by any act, error or omission, including, but not limited to, those of negligence, of the Contractor or anyone directly or indirectly employed by the Contractor or anyone for whom the Contractor may be liable.

The Contractor shall, without limiting his obligations or liabilities herein, and at his own expense, provide and maintain the following insurances in forms and amounts acceptable to the Corporation.

- (i) Comprehensive General Liability – in an amount not less than \$3,000,000.00 (three million dollars) inclusive per occurrences against bodily injury and property damage. The Government of Prince Edward Island is to be added as an additional insured under this policy and such insurance shall include, but not be limited to:
 - a. Blanket Written Contractual Liability Including this agreement;
 - b. Personal Injury Liability;
 - c. Non-owned Automobile Liability;
 - d. Cross-Liability;
 - e. Operation of Attached Machinery;
 - f. Products and Completed Operations Liability
- (ii) Automotive Liability of vehicles owned, leased, operated or licensed in the name of the Contractor shall be in an amount not less than \$3,000,000.00 (three million dollars) per occurrence. The policy will be maintained for a period of not less than six (6) years following expiry of this contract.
- (iii) Environmental Impairment/Contractors Pollution Liability
Environmental Impairment/Contractors Pollution Liability coverages for the services having a limit of not less than \$3,000,000.00 (3 million dollars) per occurrence. The policy will be maintained for a period of not less than six (6) years following expiry of this contract.

All of the foregoing insurance shall be primary and not require the sharing of any loss by any insurer of the Province nor by any other form of recovery available such as the Provincial Self Insurance and Risk Management Fund.

2.0 Proof of Insurance

A certificate of insurance shall be furnished to the Corporation along with the Tender Form, and shall be considered as an essential part to constitute a legitimate bid.

Approval by the Corporation of any insurance policy of the Contractor shall in no way relieve the Contractor of his obligations to provide the insurance referred to in the contract nor shall it imply that the policies are in accordance with the terms of this agreement.

- (i) All required insurance shall be endorsed to provide the Corporation with sixty (60) days advance written notice of cancellation or material change.
- (ii) The Contractor hereby waives all rights of recourse against the Corporation and the Province with regard to damage to the Contractor's property.
- (iii) The Contractor shall require and ensure that each subcontractor maintain liability insurance comparable to that which is required by this contract.

3. CONTRACTORS RESPONSIBILITIES

(i) Perform All Work

The Contractor shall provide and perform all work required by or under this Agreement and the tender form document attached and shall complete the work for \$_____ which is the price submitted in the tender form document.

(ii) Comply with Statutory Requirements

- (a)** The Contractor shall comply with all federal, provincial and municipal legislation which may have application to the services being performed under this Contract and it shall be the sole responsibility of the Contractor to submit any applications, reports, payments or contributions with respect to sales taxes, Income Tax, Canada Pension Plan, Employment Insurance, Goods and Services Tax or any other similar matter which may be required by law to be made by the Contractor as a self-employed person or limited company in connection with the services to be performed under this agreement.
- (b)** The Contractor shall comply with all provincial and federal legislation affecting conditions of work and wage rates and in addition shall provide operating and safety training to the satisfaction of the Corporation, for all personnel employed for the Contract and the vehicles shall have and carry at all times a First Aid Kit and fire extinguisher provided by the Contractor and approved by the Corporation.
- (c)** The Contractor, before undertaking any work under this agreement shall provide a certificate of good standing issued by the Workers Compensation Board of PEI and a certificate of good standing issued by the Corporations Division, PEI Office of the Attorney General.

4. WAIVER

No condoning, excusing or overlooking by the Corporation or any person acting on its behalf, on previous occasions, of breaches or default similar to that for which any action is taken or power exercised or forfeiture is claimed or enforced against the Contractor shall be taken to operate as a waiver of any provision of this Contract, nor to defeat or prejudice in any way the rights of the Corporation hereunder.

5. CONFIDENTIALITY

Any and all information available to the Contractor as a result of this agreement shall be treated as confidential information and the Contractor will not directly or indirectly disclose or use at any time, either during or subsequent to the term of this agreement, any information, knowledge or data gathered as a result of the performance of this agreement, unless the written consent of the Corporation is first obtained or unless the information, knowledge or data is of general availability to the members of the public. The Contractor agrees that all documents, goods, designs or programs, submitted or prepared by the Contractor under this agreement are the property of the Corporation and the copyright therein vests in the Corporation.

6. ASSIGNMENT

- (i) This agreement shall not be assigned or subcontracted in whole or in part by the Contractor without the prior written consent of the Corporation.
- (ii) This agreement shall enure to the benefit of and be binding upon the parties hereto and their executors, administrators, successors and assigns

7. REMEDY

If, in the opinion of the Corporation, the Contractor neglects to execute the work or fails to perform any provisions of this Contract, the Corporation, following the expiration of five (5) consecutive days' written notice hand-delivered to the Contractor, may without prejudice to any other right or remedy it may have, make good such deficiencies and may deduct the cost thereof from the payment then or thereafter due to the Contractor.

8. ENTIRE CONTRACT

This agreement together with all items as listed in Section 3 of Contract A, tender form and addenda attached hereto constitutes and expresses the entire agreement of the parties hereto and any amendment or addition thereto shall be in writing and signed by the respective parties.

9. ARBITRATION

In the event of differences between the parties to the Contract as to the interpretation, application or administration of this Contract, such differences shall be settled by appointment of a single Arbitrator pursuant to and in accordance with the provisions of the Arbitration Act. The Contractor shall continue diligently to prosecute the work pending determination of any dispute. In the event the Contractor refuses to proceed diligently with the work or any portion thereof, the Contractor shall be directly responsible for all damages to the Corporation as a result of such stoppage and, in addition to any other right, the Corporation shall have the right to complete the work and to recover the cost of same from the Contractor and may deduct the cost from any payment then or thereafter due to the Contractor.

10. LAW OF CONTRACT

This Contract shall be governed by the laws of the Province of Prince Edward Island and the laws of Canada applicable therein and the parties do hereby irrevocably submit and attorn to the jurisdiction of the Courts of the Province of Prince Edward Island in respect of all matters arising out of or relating to this Contract or the transactions contemplated hereby.

IN WITNESS WHEREOF the parties hereto have executed this Agreement on the day and year first above written.
