

## **Water and Wastewater Operator Full-Time Permanent (Commencing Immediately)**

Environmental Industrial Services Inc. (EISI) operates water and wastewater systems across Prince Edward Island for various public and private entities.

EISI is seeking a certified water distribution and wastewater treatment operator for Western PEI. The successful candidate will work with the EISI team of operators across PEI, to ensure the safety of water and wastewater across the province.

### **Responsibilities:**

- Monitoring water and wastewater treatment processes
- Conducting water tests and reporting the outcome properly and efficiently
- Troubleshoot problems on water and wastewater systems
- General maintenance (cleaning equipment and building, painting, snow removal)
- Providing vacation, sick leave relief, and operational support to other EISI staff
- On-call duties as required across the province

### **Qualifications:**

- Certified water and wastewater treatment operator (Class 1 WWC/WWT and class 1 WD)
  - Relevant trade experience of plumbing and/or electrical could be considered
- Excellent oral communication skills
- Reliable, dependable and punctual
- Customer service skills
- Ability to multi-task, and work independently and with a team
- Capacity to lift up to 50lb and perform physical demanding tasks
- The successful candidate must provide a satisfactory Criminal Record Check

**Salary:** Based on experience and skill level, salary range from \$21.24 per hour - \$33.15 per hour, based on 37.5 hours per week.
