

**ADDENDUM # 9
For RFP # 6050**

TO: All Bidders

FROM: Island Waste Management Corporation

DATE: May 30, 2023

SUBJECT: Question and Response

QUESTION # 1

As each region must be bid independent of one another, there are some redundant costs that have to be built into each bid (building costs, administrative staff etc.). If a hauler was awarded multiple areas, those costs would not be incurred for each contract and there would be a savings. Is IWMC open to a proponent putting forward a discount structure if multiple areas are awarded?

Response

In the preparation of these RFPs, IWMC explored the feasibility of accepting alternative pricing submissions and concluded that they would not be accepted as part of this RFP process.
