

Labourer/Inspector
Full-time Seasonal Position (June to mid-September)
Dingwells Mills Waste Watch Drop-off Center (WWDC)

Island Waste Management Corporation is seeking interested applicants for the position of Labourer/Inspector at the Dingwells Mills WWDC in Dingwells Mills, PEI. This position is seasonal.

The Labourer/Inspector will assist IWMC staff with a variety of tasks related to the proper source separation and disposal of materials. The Inspector reports to the Disposal Fee Program Supervisor.

Responsibilities:

- Assist with inspection of incoming loads;
- Assist with customer service, education and enforcement of Waste Watch sorting guidelines and procedures;
- Assist with handling/packing household hazardous waste, and stewardship program materials such as paints, electronics, light bulbs, batteries, etc.;
- Assist with site maintenance (lawn maintenance, painting, general site repairs, litter picking etc.); and
- Perform other duties as required.

Skills and Qualifications:

- Grade 12 education or equivalent;
- Excellent oral communication skills;
- Reliable, dependable and punctual;
- Ability to remain calm when interacting with upset customers;
- Ability to multi-task, and work independently and as a team member;
- Capacity to lift up to 50lb and perform physically demanding tasks; and
- Valid driver's license.

The successful candidate must provide a satisfactory Criminal Record Check.

Hours: 30 hours/week
Monday/Wednesday/Friday 8AM-4:30PM
Saturday 8AM-12:30PM

Salary: \$18.50 per hour

Closing Date: May 1, 2024 at 5PM AST

Please submit a resume to:

Rachel Parise, Disposal Fee Program Supervisor
Island Waste Management Corporation
110 Watts Avenue,
