

Litter Picker
Full-time Seasonal Position (June to September)
East Prince Waste Management Facility (EPWMF), Wellington

Island Waste Management Corporation is seeking interested applicants for the position of Litter Picker at the East Prince Waste Management Facility in Wellington Centre. This position is seasonal. EPWMF is located on Hwy #2, approximately 15kms west of Summerside and 5kms from Wellington. This position will report to the Facility Supervisor at EPWMF. The duration of the work dates can be altered to be suitable for students to apply.

Responsibilities:

- Pick windblown litter from the grounds in and around the site and bag it for collection by site staff.
- Other light duty yard / site maintenance.

Skills and Qualifications:

- Reliable transportation to and from work.
- Ability to work outdoors in various summer weather (heat, wind, rain, etc).
- Physically able to stand and walk for the day.
- Physically able to lift 50lbs.
- Ability to work with minimal supervision.

The successful candidate must provide a satisfactory Criminal Record Check.

Hours: 75 hours bi-weekly (Monday through Friday)

Salary: \$17.50 per hour, plus 4% vacation pay

IWMC will provide the successful candidate with the required Personal Protective Equipment (PPE) for the role.

Closing Date: Wednesday, May 22, 2024 at 5PM AST

Please submit a resume to:

Elizabeth Mallett, EPWMF Supervisor
East Prince Waste Management Facility (EPWMF)
