

RESIDENTIAL

Spring & Fall Cleanup

Each year in May and November, IWMC provides a residential cleanup service. The cleanup allows households to dispose of **excess** waste material or yard debris.

YARD DEBRIS

Yard debris materials are collected **twice** during each cleanup month. **Please ensure yard debris materials are placed curbside by 7:00 A.M. on Monday of the specified yard debris week.**

WASTE

Starting in November 2024, waste materials will be collected on your regular waste collection (black cart) days during each cleanup month. **Please ensure waste items are placed next to your waste cart by 7:00 A.M. on your normal collection day (see collection calendar for schedule).**

CLEANUP GUIDELINES:

- Each item should not exceed a length of four (4) feet for any dimension
- Each item should not exceed fifty (50) lbs (22 kg)
- Larger items can be cut/folded to meet these guidelines
- Multiple items must be bundled (when practical), but the bundle must still meet the guidelines
- Leaves can be in rigid containers or paper bags
- Waste can be in waste carts, rigid containers, or clear plastic bags

ACCEPTABLE CONTAINERS:

YARD DEBRIS: Grass, leaves, and other loose compostables must be placed in open and rigid containers or in paper bags. Please do not use cardboard boxes.

NOTE: YARD DEBRIS IN PLASTIC BAGS WILL NOT BE COLLECTED!

WASTE: Waste items must be placed in rigid containers, or in clear and transparent plastic bags. Bulk items (within guidelines) may be placed curbside directly.

Q: What's an acceptable rigid container?

A: Two examples of acceptable rigid containers are Rubbermaid bins and fish pans or tubs.

ITEMS THAT ARE NEVER COLLECTED FOR CLEANUP:

*The following items **WILL NOT** be collected during cleanup or during weekly curbside collection, but they can be taken to a Waste Watch Drop-Off Center at any time of the year.*

NO CHARGE FOR THE FOLLOWING ITEMS:

- Household hazardous waste (HHW)
- Appliances containing freon
- Large household furniture such as sofas, mattresses, box springs, etc.
- Large appliances such as stoves, fridges, etc.
- Propane tanks (30 lb. or less)
- Tires (off rims)
- Electronic material

A DISPOSAL FEE MAY APPLY FOR THESE ITEMS:

- Items from businesses (including hobby farms)
- Items that do not meet above guidelines or are not contained properly
- Construction, demolition, and renovation material (indoor and outdoor projects)
- Metals (not part of Blue Bag collection)
